

2020 EXHIBIT SPACE INTEREST

On behalf of SME and AMT - The Association for Manufacturing Technology, thank you for participating in the Smart Manufacturing Experience 2018 in Boston. Smart technologies are rapidly growing and the products and solutions you showcased will certainly propel the manufacturing industry forward. Manufacturers need to stay abreast of the latest developments and technologies to stay competitive, and your participation helped them do that.

Looking ahead, we would like to obtain your space interest in participating at the next Smart Manufacturing Experience 2020 event. Please complete the information below to provide us with an idea of what you are looking for so we can build the event floor accordingly.
